It'll be via webex. Video will not be necessary other than to check the technology. I do appreciate that there is another proceeding going on at the same time, but I also need a representative from ORS present in the prehearing conference.

Did the parties all receive the invitation at about 9:00 a.m. this morning?

David,

Given the DESC avoided cost hearing this morning, will we be doing a call in or a virtual meeting?

Thanks.

Ben

That is absolutely fine. I think you can simply forward the link from your email invitation – it should work.

Subject: [External] RE: Docket No. 2021-219-T: Pre-Hearing Conference and Virtual Media Plan

Good Morning,

My client will be unable to join me in the office for the Prehearing Conference. He will be joining me at my office for the Hearing.

Would it be permissible to send him the WebEx link, and or/the phone conference number to allow him to join?

My apologies for any inconvenience.

Thank you,

Clare

Parties:

I understand that I have received a response from ORS, but I have been advised that – as of this morning – I have not received information from the Applicant. If counsel for the Applicant would, at the earliest convenience, please fill out the below-attached survey – it would be appreciated.

Thanks and Regards,

Parties:

Please fill out the survey at the following link as soon as possible:

<https://www.surveymonkey.com/r/77RS37E>

This will provide our staff the contact information necessary to conduct the virtual hearing that has been scheduled in this docket – Docket No. 2021-219-T. I understand that we have a prehearing conference scheduled for October 11th. This is an opportunity to conduct a technology test, to make sure that WebEx is functioning correctly for everyone. Accordingly, I would suggest that we conduct the prehearing conference using the same technology that we will be using for the evidentiary hearing in this matter. However, if the parties are confident that a technology test is not needed, then I am willing to conduct our prehearing conference strictly by telephone as well. I would ask that you let me know your preference in a timely fashion.

If there are any questions, please let me know. Be sure to email all parties and copy contact@psc.sc.gov in any communications.
